# **REVIVAL SERVICES**

Audiences Smaller Owing to Rain, But Churches Where Services Were Held Reap Benefits From Meetings.

The heavy rains Wednesday cut heavily into the attendance at the re-vival services, especially where after-noon meetings were being held. Some of the churches held no meetings on Wednesday, but although audiences were small, splendid interest was man-ifested at the churches, which did hold services.

ifested at the churches, which did hold services.

Dr. C. H. Williamson, pastor of First Presbyterian church, will preach on Thursday night at Trinity Methodist church, where the revival under the leadership of Rev. P. D. T. Roberts, the pastor, with the assistance of some of the ministers of other Memphis churches, has aroused wide laterest. The attendance at Trinity church has been increasing throughout the meeting and a well-filled church is expected to hear Dr. Williamson.

Rev. George R. Merrill, D.D. of Atlanta, arrived Wednesday and preached at the First Congregational church on Wednesday night for the first time. He was greeted by a good audience and his sermon on "His Supreme Appeal" made a powerful impression. He will preach again Thursday and Friday nights for Rev. Robert George, the pastor.

from the life of Christ. There have been 52 accessions to the church at Madison Heights. Thursday afternoon at 3:30 o'clock. Dr. Lewis will preach at the regular afternoon meeting and also at 8 p.m. Friday at 3:30 o'clock he will speak to boys and girls, and at night to the Character Builders.

Central Cumberland Presbyterian church will hold its last week-day service Thursday night. On account of the meeting of the Memphis Presbytery at Tipton, Tenn., Friday, there will be no service Friday night.

Two meetings are being held daily at the South Memphis Baptist church, as well as shop meetings in the industrial plants in that part of the city. There have been 12 confessions of faith so far. The pastor, Rev. T. E. Rice, is being assisted by Rev. Robert Cooper. Dr. W. H. Coleman, pustor of St. John's Methodist church, will preach Thursday night at Epworth Methodist church to a meeting for young people.

The teachers and students of the

Avenue and students of the Tennessee Normal school heard Dr. E. E. Hendrick, evangelist, at the Court Avenue church, Wednesday, Widespread interest has developed in the revival services at both Linden Avenue and McLemore Avenue Christion churches, where large audiences are being reported.

Union Avenue and the Mississippi Avenue Methodist churches also report great enthusiasm and many conversions.

Not one of the 61 churches engaged in the simultaneous revival failed to arouse great interest and reports indicate that there will be numerous additions to the membership of every church as a result of the campaign.

Interest increases nightly in the Hendrick meeting at the Court Avenue church. This is greatly accelerated on account of the approaching close of the revival. The feeling is that the most must be made of the few remaining days of the campaign. A good service was held last night in spite of the severe storm. Thursday night Dr. Hendrick will speak on "Shettered by the Blood," and if the weather permits an open-air service will be held in Court square, at 7:30 p.m., to 7:55 p.m.

The Central male quartet that rendered such effective music in the preceding meetings, will sing again tonight.

The bill is for the purpose of obtaining permission of the court to sell a Dunavant street lot, which Cashin left, share and share allke, to Mrs. Cashin and the boy. The bill sets out that she can sell the lot now for \$6,400, and she believes this to be a good price.

## OPEN SHOP PLAN

Refuse Demands of Carpenters, Steamfitters and Electricians for Higher Wage

The walkout of members of severa

tions in the building trades, predicted for April I, was effective Thursday for April 1, was effective Thursday. Memoers of the labor unions prefer to designate action of the contractors as beckout, because wage scales submitted by the workmen's committed by the workmen's committed. The General Contractors' association, which includes most of the larger firms, has declared an open shop so far as as carpenter work is concerned. That was done nearly a year ago, and the action taken at a meeting Wednesday evening made no change in the situation. The building contractors who are members

### The general contract rs. members of the association, will pay bricklayers the union scale of \$1.25 an hour, although no signed contracts are made between the contractors ard the union. Members of organized labor in the building trades, both those in which contracts have been made and those whose demand for higher wages have been refused, say there are a number of contractors who are not members of the employers' organizations and that so much construction is under way that thoy all expect to have work throughout the spring and summer. They also say that on many construction jobs they are now being paid the scale of Thursday. The public will be cordially welcome. From Head to Foot We Clothe the Boys Throughout

# Be Sure You're Right!

"There is a way which seemeth right unto a man, but the end thereof are the ways of death."

There is one test for all ways. When that "way which seemeth" is put to this test you may always be sure whether you're right. When it fails to grade up to the test, the end thereof are the ways of death. The test is infallible. Have you submitted yourself to this test? Does the way merely seemeth right to you? Or have you tested it by God's law and know of a certainty that it is right?

God wants you to know His great fundamental law, His law of life, through which all of His wondrous work is done. He wants you to work under the same law, to be His partner and to enjoy to the fullest the dividends that the partnership will make.

In sixty Memphis churches God's ministers will tell you how this law works in your daily life.
